Summer Specials

You can buy any **Laser Hair Removal** package and receive **\$300 off plus one free microdermabrasion**. We also are offering **6 micros for \$500**.

Juvederm

From the creators of Botox is the "next-generation" dermal filler, **Juvederm**. Lasting up to 6 months or longer, **Juvederm** has a smooth consistency gel that flows easily into the skin for a more natural look and feel than other dermal fillers.

Referral Program

You will receive a **FREE** microdermabrasion or a **FREE** facial when you refer a person to us.

Gift Certificates

Don't forget your Dad this Fathers Day with **Laser Hair Removal** or a **relaxing facial**.

New Hours

Monday 9-7, Wednesday 9-7, Thursday 9-7

Skin Tip of the Month

Feed your skin. Proper nutrition is important for overall skin health. Eat plenty of deeply colored fruits, vegetables, and whole grains-most of which contain anti-oxidant vitamins A, C and E, as well as fiber. Especially crucial for the summer months: drink plenty of water to hydrate your skin.
